S HARVEY

. . . looking from the present into the past,
seeing ourselves in an everlasting bond, symbolized
by our Alma Mater . . .

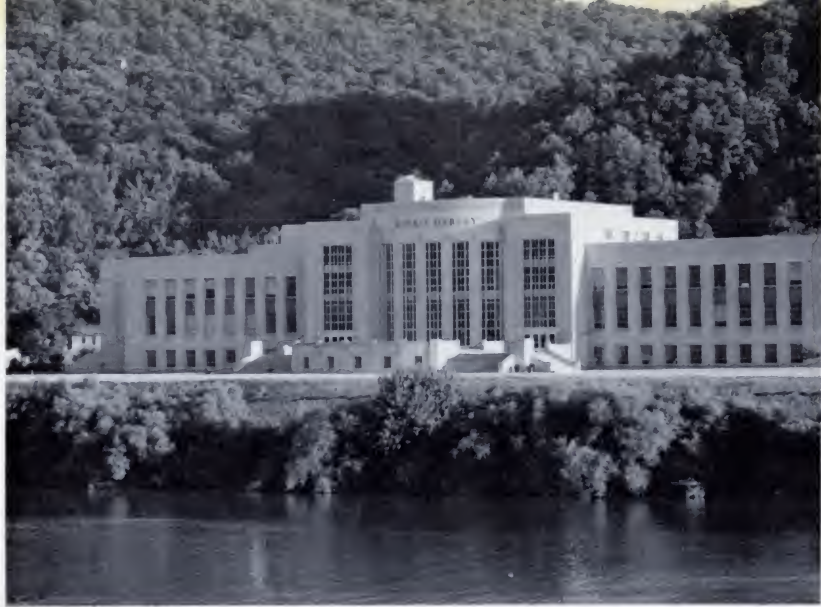

THE HARVEYAN

FOR NINETEEN FIFTY-NINE

MORRIS HARVEY COLLEGE

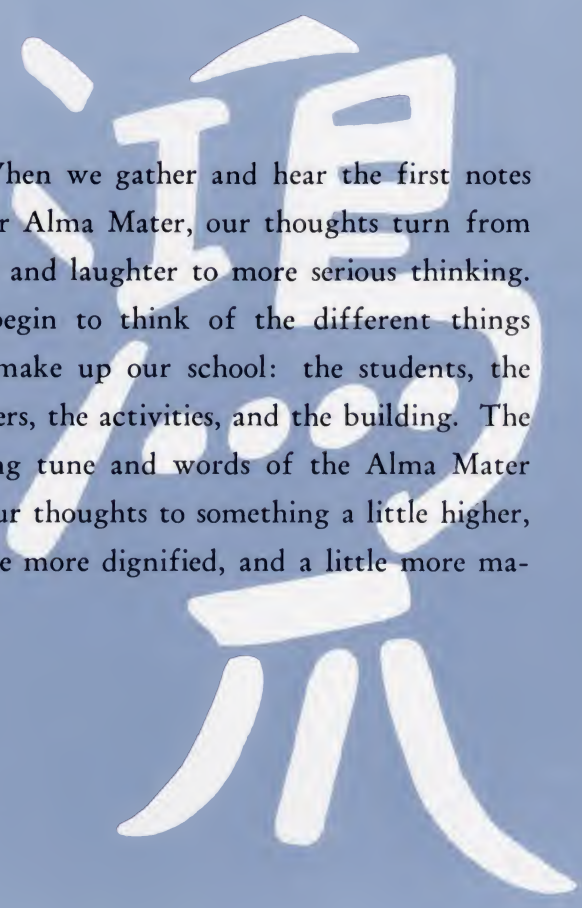

CHARLESTON, WEST VIRGINIA

In the shadow
of the mountain
By Kanawha's River...

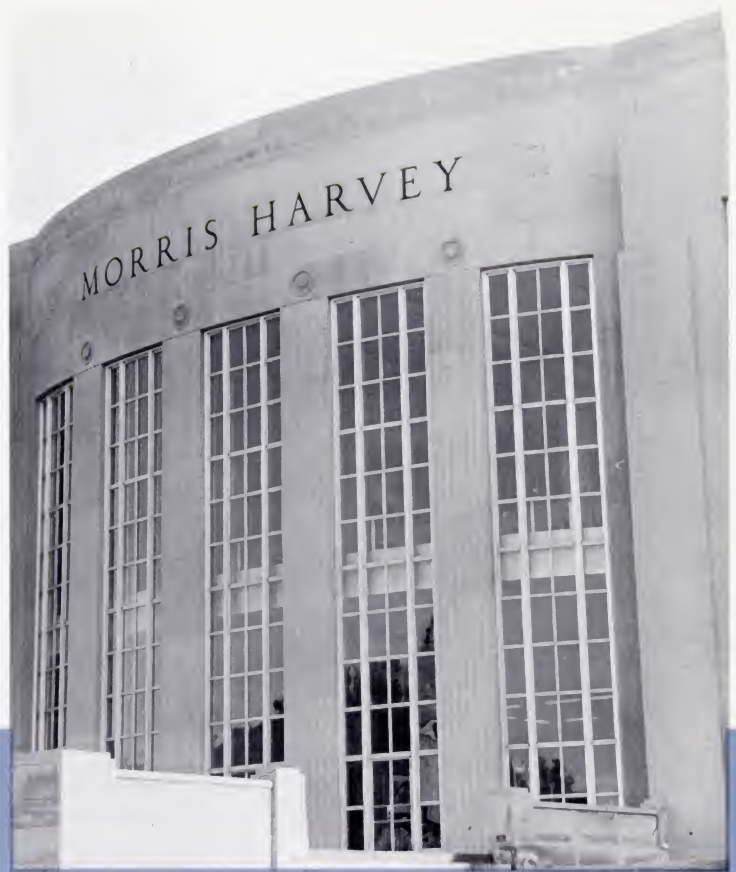

When we gather and hear the first notes of our Alma Mater, our thoughts turn from frolic and laughter to more serious thinking. We begin to think of the different things that make up our school: the students, the teachers, the activities, and the building. The stirring tune and words of the Alma Mater lift our thoughts to something a little higher, a little more dignified, and a little more mature.

This is the Chinese symbol
for the word "Memories."
Now turn the pages and
journey through memories of
Morris Harvey College in 1959

IHS

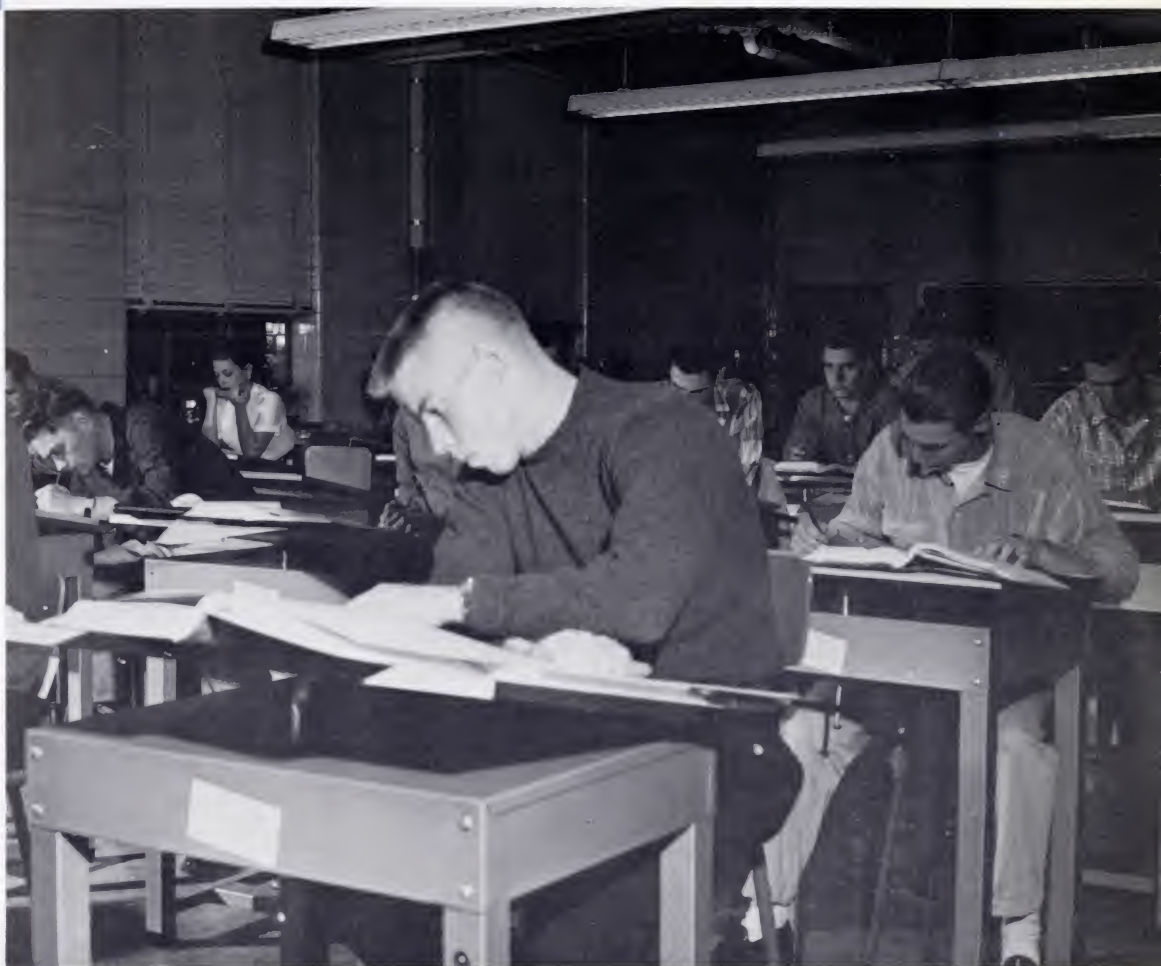

Our beloved
Alma Mater
Proudly stands
forever . . .

Within the walls of Morris Harvey we each found a place to grow, spiritually, mentally and socially. The door of the Chapel always stood open for anyone to enter and seek an inner

strength to proceed. And every Wednesday, we gathered to listen to a prominent person deliver a few words of wisdom to us.

The faculty shall never be forgotten, as teachers and administrators, they led us in our search for knowledge. We developed character and individuality under their influence. Sharing with us their experiences, they increased our own and gave us strength in new values and understanding. In our growth we were able to know them and they became our friends.

To the hours we spent
in gleaning
Wisdom, Knowledge
Learning . . .

To the days of toil and play ...

As the time passed, we found that a full education consisted of getting along with people as well as knowing the inside of a textbook. We found also, that college included both work and play and we strived to keep the two balanced.

Our thoughts will e're be turning...

Through dances and other varied activities we met new people, fostered new friendships and strengthened old ones. For each of us the years at Morris Harvey have been a period of transition and growth. Through our various experiences on campus, in classes and with friends, we have found a new sense of direction and a vital strength in achievement.

Morris Harvey, Morris Harvey True we'll ever be . . .

In athletic competition, our spirits were filled with the fight for the name of our school. Morris Harvey has ranked as one of the first in other competitions, as well as in athletics, since the beginning of its history. Our fellow students carried the name of Morris Harvey to the fields and courts, and to the conventions and tournaments. The victories won by our school are clearly evident in the large number of trophies that are to be found in the halls of Morris Harvey.

Morris Harvey, Morris Harvey

Hail all hail to thee.

When we came to Morris Harvey and became a part of it, we individually dedicated ourselves to the school for four of the years of our lives. We pledged to try and make Morris Harvey College a better school in the hope that it, in turn, would make us better individuals.

The President

DR. LEONARD RIGGLEMAN

Dedication

The members of the *Harveyan* staff of 1959 wish to take this opportunity to dedicate this edition of the *Harveyan* to the President of Morris Harvey College, Dr. Leonard Riggleman.

Dr. Riggleman, now completing his twenty-ninth year as President, has seen the College grow and become a modern institution in a modern society. He and his staff have put forth untiring efforts to build Morris Harvey. By his interpretation and fulfillment of the needs of the Student Body, he acts as counselor, leader, mediator and friend.

In dedicating this edition of the *Harveyan*, we wish to express our appreciation for the years of untiring loyalty and devotion given to Morris Harvey College.

ADMINISTRATION and FACULTY

SPONSORS

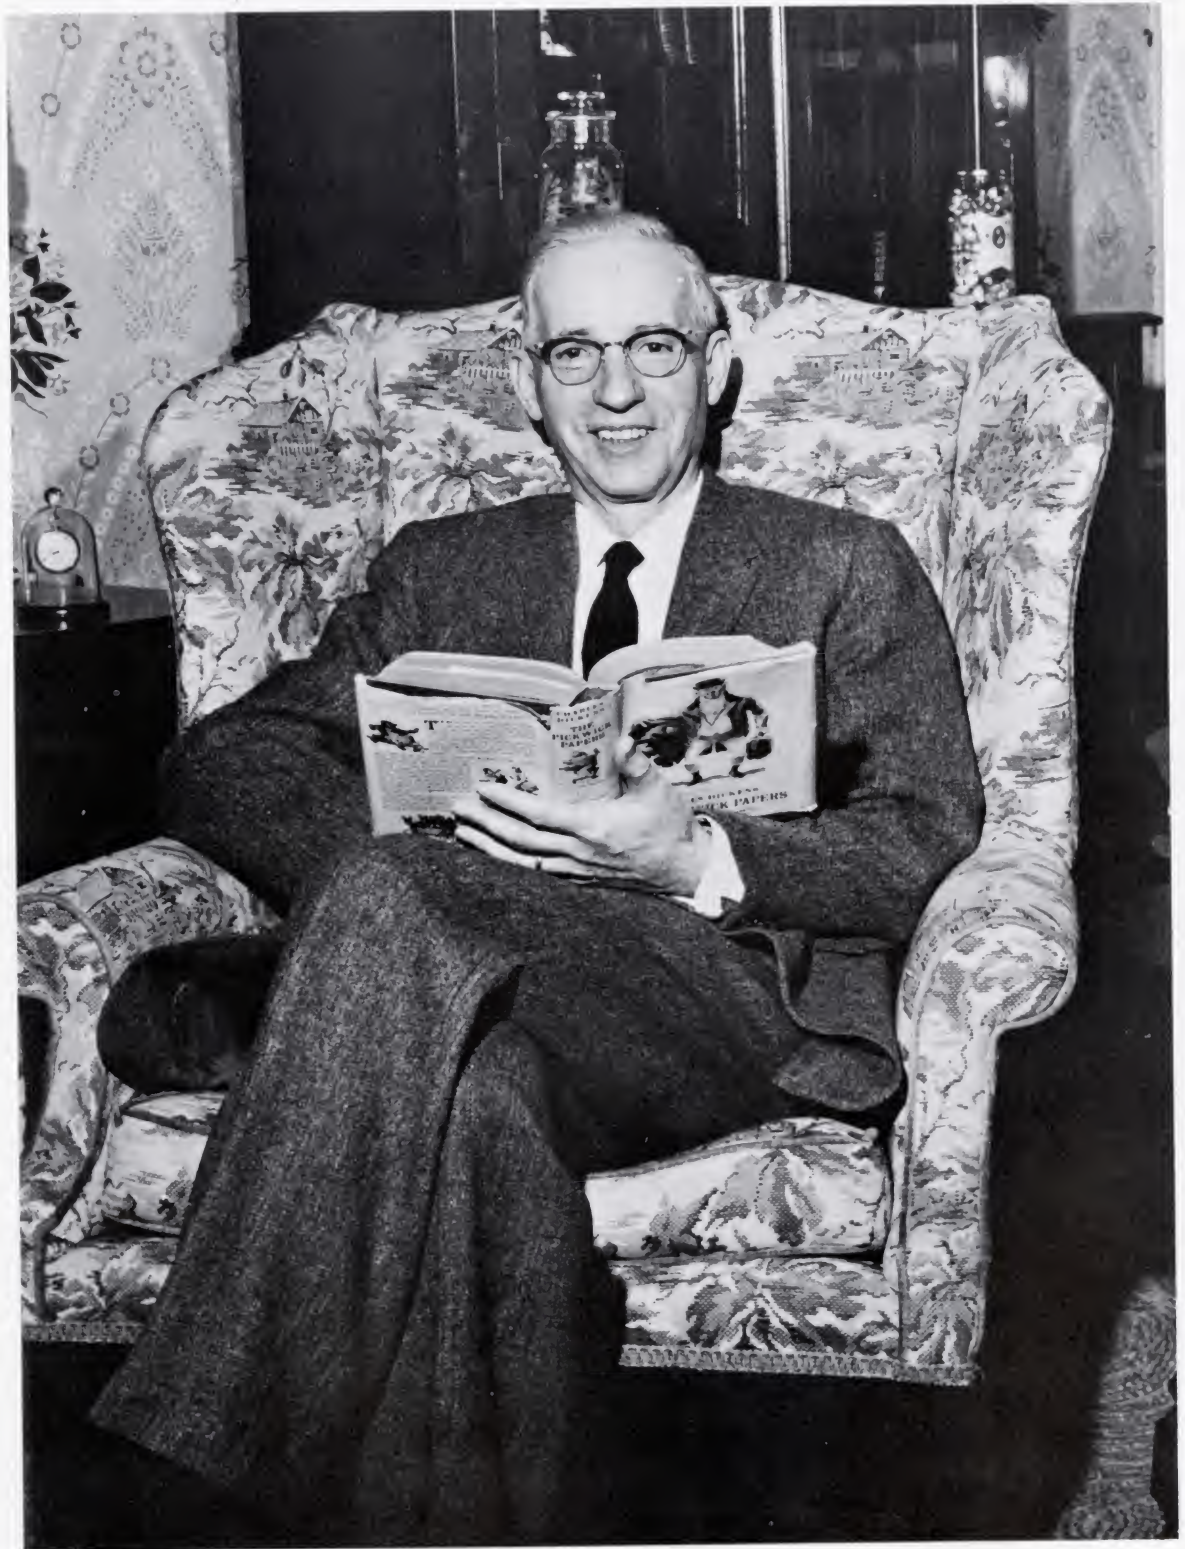

TEACHING

GUIDANCE

The members of our Administration, having dedicated themselves to teaching, perform a job greater than just classroom teaching. They act in the capacities of sponsors and skillful guides, along with the task of aiding us in laying a foundation for our chosen fields. Our extra-curricular activities, having as large an importance in life as education, would be impossible without the aid and able direction of our professors. We look to the Administration with thanks for their patience, friendliness, corrections, and encouragement.

CLASSES

KNOWLEDGE

FRIENDS

RED TAPE

As we pass through the four years of our college education, the term Underclass is applied to us for the first three. Our days spent in the Freshman, Sophomore, and Junior classes will be remembered for the friendship, guidance, and training we have received. With anticipation we wait until we will be Seniors, a year that has been one of much activity. We hold many memories to treasure, for it has been a year of enjoyment that has held us in a bonded friendship that will never break, and we are proud to claim as our Alma Mater, Morris Harvey College.

HONORARIES

School organizations give students the opportunities to develop their interests and talents in various fields. Each club's primary aim is that of encouraging better living at Morris Harvey and in later life. Extra-curricular activities offer training, supplementary education, and entertainment, and provide a medium through which the student may develop a balanced life.

Student Council

OFFICERS OF THE COUNCIL. *Seated:* Jean Gunter, secretary; Ray Goode, president. *Standing:* Gene Baker, treasurer; Jerry Cook, vice president; Dr. Frank Krebs, faculty advisor and Ralph Matienzo, sergeant-at-arms.

Row one: Jean Gunter, Carol Hicks, Gene Baker, Jane Jackson. *Row two:* Keith Clarke, Ray Goode, Clarise De-Quasie, Warren McGraw. *Row three:* Nancy Trotter, Gray Ferguson, Bill Alexander, Ralph Matienzo and Jerry Cook.

The Student Council of the Student Government Association expanded its activities this year to include a record number of varied programs and projects. The most outstanding accomplishment of the Council was the publication of both the student handbook and the student directory, something that has not been done by a council in recent years.

Other activities of the 1958-59 Council include: a highly successful orientation program, construction of horse shoe facilities on campus, the all-school picnic, Alumni Day ceremonies, the Christmas Formal, Eagloo improvements, and May Day. In addition to this the council conducted several assemblies and student mixes. One of the most successful student mixes of the year was conducted by the Council on the patio adjoining the reception hall.

The interest shown in good student government by the entire membership of the 1958-59 Student Council has made it one of the most active and productive organizations in Morris Harvey's co-curricular history.

Dorm Councils

MEMBERS OF THE DICKINSON HALL COUNCIL. *Row one:* Peggy King, Sarita Matney. *Row two:* Jane Todd, Linda Stowers, Janet Cavender. *Row three:* Joan Webber, president; Lynn Hoffman; Sandra Conklin. *Row four:* Betty Pauley, Carol Hicks, Gloria Burgess, and Clarise DeQuasic.

MEMBERS OF THE RIVERVIEW HALL COUNCIL. *Row one:* Denny Skiles, Chuck Dunlap, Fred Aldridge. *Row two:* Kenny Higginbotham, president; Ed Fincham; Jerry Cook; and Bill Alexander.

Row one: Peggy King, Ann Teague, Jane Martin, Mary Susan Griffith, Jean Gunter. *Row two:* Sylvia Rywant, Suzanne Kapp, Bonita Chenoweth, Nancy Copenhaver, Jackie Ferrell, Janet Cavender. *Row three:* Carolyn Ball, Joan Webber, Lucille Jordan, Nancy Wiseman, Nancy Trotter, Lee Lopez, Ann Deskins.

Student Nat'l. Education Association

The George S. Laidly chapter of the Student National Education Association was reorganized on the Morris Harvey campus in 1949. It is open to membership to any student interested in teaching.

The purpose of this organization is to further acquaint future teachers with the duties, obligation, and values of the teaching profession and to keep the education student informed of the present trends and opportunities offered in this field.

NY Minister To Address MH Friday

Donald Harrington, minister of The Community Church of New York will address Morris Harvey College students on December 5, 1958 in the college auditorium.

Mr. Harrington's topic will be "World Peace Through World Law".

A native of Newton, Mass., Mr. Harrington attended Antioch College in Yellow Springs, Ohio, and later transferred to the University of Chicago, where he received the Bachelor of Arts degree. Two years later he received a Bachelor of Divinity from Meadville Theological School of Chicago. In 1938 he set sail for Europe. He did graduate work for one year at the University of Leyden, Holland.

Mr. Harrington is chairman of the Workers' Defense League; Chairman of the American Committee on Africa; President of The United World Federalists. He is the author

DONALD HARRINGTON

of numerous pamphlets, magazine articles and book reviews.

In June 1944, Mr. Harrington accepted the call to the Community Church of New York to become the Junior Colleague with John Haynes Holmes in the ministry of the church. On March 28, 1949, Mr. Harrington was elected Minister of The Community Church to succeed Mr. J. Holmes and has served in that capacity until the present time.

Handel's "The Messiah" To Be Presented Sunday

Morris Harvey College has set the 19th annual performance of Handel's "The Messiah" for Sunday, December 7, in the college auditorium. The program is scheduled to begin at 3 p. m.

Prof. Harold W. Ewing, head of the college music department, will direct the production.

Members of the MH Choir, former members of the choir, and members of the Charleston Civic Chorus will combine their talents in the classic Christmas oratorio. According to Ewing, the 22 piece orchestra will be staffed primarily by members of the Charleston Symphony.

As in the past, the production will be open to the public and no admission will be charged. However, a free will offering, to help defray the expense of the production will be taken during the intermission.

Soloists in this year's program are: Sarita Matney, soprano, Mrs. Barbara Pierson Agsten, contralto, Dr. George R. Mayfield, Jr., tenor, and Maynard McCann, bass.

A Morris Harvey junior, Miss Matney is studying voice under Prof. Ewing. Miss Matney won the Charleston Symphony Statewide Amateur Contest last spring and has been invited to perform with the Symphony next April. The daughter of Mr. and Mrs. Arlen Matney of Baileyville (W. Va.), Miss Matney has also studied at the Oberlin Music Conservatory.

Mrs. Agsten, appearing for the second time as contralto soloist in "The Messiah," is a former student of Prof. Ewing. She was a member of the choir when Morris Harvey first presented "The Messiah" in 1940.

Presently a voice student of Mrs. R. S. Cooney, Mrs. Agsten is co-director and a charter member of the Charleston Light Opera Guild. Mrs. Agsten received her bachelor of music degree from the University of Michigan, where she studied voice with Authur Hackett.

Dr. Mayfield, a graduate of Vanderbilt University, is an associate pathologist at Memorial and St. Francis Hospitals in Charleston. From 1951 to 1958 Dr. Mayfield appeared frequently as a tenor soloist with the Cathedral Singers of Nashville, (Tenn.) under the direction of Alec Buckingham Simson.

A soloist since his college days, Dr. Mayfield has appeared in the last two performances of "The Messiah" given by Peabody College and directed by Louis Nicholas.

Maynard McCann, bass soloist, is the acting minister of music for Charleston's First Presbyterian Church. A veteran soloist with the Charleston Civic Chorus, McCann has taught at Houghton College (N.Y.), Greenville College (Ill.), Indiana University and West Virginia Tech.

McCann received his bachelor's degree at Marion College (Ind.) and an M.S. degree in music education and is.

Service Life Topic Of UCF Speaker, Lt. Gen. Harrison

Lieutenant Gen. Wm. K. Harrison, Jr. spoke to the United Christian Fellowship in room 201 after Chapel service on November 26. Following his talk there was a brief business meeting.

Harrison spoke of his life, his overseas experiences, and the re-

ligious life of the servicemen. He said that the boys have no defense against temptation by themselves; they must have God. Harrison also stated that Christian boys make the most dependable soldiers.

Now Is Time To Plan Act

"Here Comes the Showboat" will ring out on March 20 in the college auditorium as the student talent show gets under way for assembly presentation. Now is the time to plan your act for the tryouts to be held

Reverend Reid Jepson, a Morris Harvey graduate, spoke for a few moments. He advised the United Christian Fellowship to "form a fellowship above denominational lines which will influence people."

A short discussion of the constitution followed, but due to the amount of time, the voting on the proposed

Comet Staff

Reporting news of interest is the job of *The Comet*. *The Comet* was a bi-monthly newspaper a year ago, and is now a weekly publication. *The Comet* is made up of thirteen members who voluntarily joined the staff and contribute of their time and effort to the making of the paper.

The editor and business manager are picked by The Comet Board of Directors. Both positions carry a full tuition scholarship and last for a period of one year. Filling the position of editor is Hollie Hodges of Princeton, and the business manager is Richard Hill of Julian. The man behind the camera this year was Walter Wissing.

Midnight oil plus three gray hairs, minus everything running smoothly equals one issue of the *Harveyan*—such was the life of the *Harveyan* staff.

Patiently assembling material, taking a multitude of pictures, and writing countless letters, they gradually sifted the grain from the chaff and planned a yearbook. As the final deadline approached, the days and nights seemed shorter to sleepy-eyed editors. With crossed fingers they mailed great bundles to the printer and with apprehension they read and reread the proofsheets. With relief they completed the last budget, the remaining letters, the final page. And with pride they unwrapped the latest edition and presented a finished product to the student body, happy in the knowledge of devotion and hard work for a job well done.

Independent Students' Association

The Independent Students' Association, as an organization of Morris Harvey College, was formalized in the fall of 1955. It grew out of the idea that students, not associated with other groups, might express themselves in words and actions, their attitude toward certain phases of college life. Some of the projects that were on the agenda included private parties, study of student problems, group activities, and political escapades.

One of the main accomplishments of this year's group was the initiation of a special award, which would be presented to a worthy member of the faculty or administration.

Nancy Hale was elected by the student body as Miss Senior for Homecoming.

The Fool's Fling, the annual dance, was just one of the social events sponsored by the ISA.

This organization, like most other college theater groups is dedicated to the cultural advancement of the college through the medium of legitimate dramatic art.

With diligent work the members have followed each endeavor to a favorable end. Every production is accompanied by a new and more difficult problem. And on each occasion the initiative and ingenuity of the members, working as one, has led to a practical solution.

Christian Fellowship

The year 1958 marks the organizing and establishing of the United Christian Fellowship. The Westminster Fellowship (Presbyterian), Roger Williams Fellowship (Baptists), Wesley Fellowship (Methodists), along with several other denominations joined together to become one unified Christian force.

It is an interdenominational Fellowship open to any regularly enrolled student who is interested in Christian Fellowship and the furtherance of God's kingdom. Some of the purposes are: to incorporate the high ideals of a Christian life and society; to develop programs and services to express the combined concern of Christians; and to

encourage and promote the spirit of ecumenicity among the students.

The founding of this Fellowship has had good response from the students. In its first year of existence it has become the largest single organization on campus. Their plans for the future will include participation in the weekly Chapel and Vesper Services, assisting in the Religious Emphasis Week, and many other activities.

Our name signifies our ultimate goal. We are a group of unified Christians seeking a singular cause.

Chi Rho Fellowship

The Chi Rho Fellowship is an organization for students interested in full-time Christian service regardless of their denomination.

Chi Rho (Greek letters written as XP) are the first two letters of the word Christ as written in Greek.

The Fellowship presented (in cooperation with the Art Department) an Art exhibit; a special assembly in connection with Religious Emphasis Week. In the month of January, Dr. and Mrs. John Trever, and Mr. and Mrs. C. T. Miller presented a dinner and program for the group, at which time Dr. Trever shared with the Fellowship some of the experiences of his recent Near East and European travels.

Newman Club

The Newman Club is an organization for Catholic students here at Morris Harvey and on all campuses of non-Catholic schools.

It serves as an information center for Catholic students concerning their religion and many other problems that may arise. It is also a social organization, holding several parties, dances and other social events during the year.

The primary goal of the Newman Club is not social however, its primary goal is the continuation of religious education, to weld the Catholic students into a common union and to assist the college and its students whenever possible.

Music Educators National Conference

To deepen the bonds of friendship and understanding between those who are seeking to become professional musicians is one of the goals of the Music Educators National Conference. Morris Harvey's student chapter of this organization was organized in 1952 and is sponsored by Professor Harold Ewing.

Other objectives of the MENC are:

- To broaden the outlook in the world of music activity;
- To increase interest and knowledge in all areas of music education; and
- To aid in the preparation as professional musicians, in order that the members may make a worthy contribution to life through the aesthetic medium of music.

The Philharmonic Choir

The Morris Harvey Philharmonic Choir during the fall semester visited various high schools. The schools fall in order of: Sissonville, Clendenin, Elkview, Seth, Madison, Van, Charleston Catholic, Stonewall Jackson, Washington District, Nitro, Poca and Charleston High School.

In December the choir and the Civic Chorus of Charleston merged to give the annual performance of the Messiah.

Under the direction of Mr. Harold Ewing, the choir has planned a program to be given at the new Charleston Civic Center at the beginning of the spring semester.

An annual tradition of the choir is to visit all the hospitals in the Kanawha Valley to sing Christmas Carols and bring the spirit of Christmas to those who wouldn't be home for it.

The choir always looks forward to the annual spring tour to all parts of the state, presenting programs at high schools and giving church performances in the evening.

Sarita Mateny is pictured during a solo when the Choir joined with the Charleston Civic Chorus to give their annual presentation of "The Messiah."

Seated: Pat Wood, Mary Ellen Parsons. *Standing:* Warren McGraw, and Archie Snedegar.

Debate Club

It is the purpose of the Morris Harvey Debate Club to promote and create an interest in and participation in the skilled art of inter-collegiate debate.

The debate squad had the honor of being invited to the annual tournaments at Harvard University, The United States Military Academy at West Point and the Owen L. Coon Tournament at Northwestern University. Included in the debate schedule for 1958-59 were Wake Forest College, Marshall College, Ohio Wesleyan, Ohio State University, Marietta College, North-South Tournament at West Virginia University, and the West Virginia Inter-collegiate Debate Tournament at Jackson's Mill.

Art Guild

What expression of emotion could be greater than that made by a swish of a brush? Every student who truly is inspired by art and its related fields may further his interest through the Art Guild.

The purpose of the Guild is to provide an opportunity to do creative work informally at a recreational resource, a stimulation to the discussion of contemporary art, and the promotion of interest in art on the campus by helping to sponsor art exhibitions.

International Relations Club

The International Relations Club of Morris Harvey is an organization composed of students who are majoring in political science and other students who have an interest in foreign affairs and international problems.

The club was re-activated in 1957 by Mrs. Evelyn Harris, who is the head of the Political Science Department of Morris Harvey. This year the club is being sponsored by Miss Stella Cooksey during Mrs. Harris' leave of absence.

During the 1958-59 year, the club was most active in attending conferences and conventions held at various colleges. The first was held at W.V.U, and another important convention was conducted at Georgetown College, Kentucky.

Membership is open to all Morris Harveyans who show sufficient interest.

Square and Compasses

The Square and Compasses Club of Morris Harvey College is composed of Masons who are enrolled in, or employed by the College. The organization combines the purpose of promoting a better understanding of the Masonic tradition with social activities, by having guest speakers at dinner meetings, one meeting a year being set aside as "Ladies' Night."

Greek Government Association

The purpose of the Greek Government Association is to promote the welfare of the social sororities and social fraternities of Morris Harvey College and to aid them in contributing to the general program of the college. We also foster and demonstrate a spirit of mutual helpfulness among the sororities and fraternities.

The Association sponsors two dances each year, one in the fall and one in the spring. The GGA give an award each year to the individual and to the sorority or fraternity that has the highest scholastic average.

The Phi Kappa Kappa Sorority was organized in the fall of 1928 on the Morris Harvey Barboursville campus. Its aim is to unite young women of congenial taste into a more intimate fellowship. By means of this fellowship and sisterly understanding, each member is given the opportunity of broadening and enriching her life socially, intellectually, physically, and spiritually.

Howdy Day broke the ice after fall registration by making "howdy" the day's official greeting. Many other activities highlighted the Phi Kappa year, such as the Sock Hop, bake sales, Twilight Tea, Hawaiian Rush Party, Christmas Party,

Mother's Day Tea, and the Annual White Rose Ball dinner-dance in the spring.

An active organization of energetic members, women of Phi Kappa Kappa held offices in Student Council, Freshman Class, Sophomore Class, Senior Class, *Harveyan* Editor, Blackfriars, Alpha Psi Omega, Christian Fellowship, SNEA, Chi Rho Fellowship, International Relations Club, Newman Club, and were represented in the Choir, Band, Cheerleaders, Greek Government, the *Comet*, and Who's Who Among Students in American Universities and Colleges.

The Sigma Delta Phi Fraternity of Morris Harvey College was founded on January 2, 1950. Since then, this, the youngest of the Greek letter organizations has grown into one of the largest and most active fraternities on campus.

Many traditional functions are presented annually by the fraternity. The five major ones are: the "Welcome Dance" in September, the "Plymouth Rock Dance" in November, the "Christmas Formal" in December, "Sweetheart Weekend" in April, and the "Spring Swing" in May. Besides these many minor functions are also scheduled during the year such as stag parties, private parties, luncheons, and general "bull sessions."

The climax of the social calendar is the three-day function "Sweetheart Weekend" which is appropriately named because it is at this time that the new fraternity sweetheart begins her reign. The events of this function differ slightly from year to year, but usually consist basically of dances, parties, and other events.

Many members of the Sigma Delta Phi fraternity hold important positions in other campus organizations such as Blackfriars, Student Council and Greek Government Association.

Who's Who among students in American Universities and Colleges is an annual publication in which the scholastic biographies of those students who have been recognized as leaders on the campus, both academically and scholastically, appear. It is the highest honor a student on the campus can achieve.

The students recognized in this publication each year are nominated from approximately 700

colleges and universities. Campus nominating committees are instructed to consider, in making their selection, the student's scholarship; his participation and leadership in academic and extra-curricular activities; his citizenship and service to the school; his promise of future usefulness. These nominations are sent to the national organization for acceptance. This honor is awarded during the junior or senior year.

R. RAY GOODE is a junior from Pineville majoring in political science and pre-law. He is president of the Student Council; president of the International Relations Club; a member of the Independent Students Association, Men's Residence Hall Council and has made the Dean's list every semester in school.

ANDY ARMITAGE helps JOAN WEBBER find a book in the card catalogue. Andy is a senior from Charleston, majoring in English. He is a member of Phi Sigma Phi Fraternity; Blackfriars; and a library assistant. Joan is a senior from Rockland, Massachusetts, majoring in business administration. She is president of the Student National Education Association; secretary of International Relations Club; president of the Women's Residence Hall Council; a member of Phi Kappa Kappa sorority and Blackfriars.

NANCY WISEMAN and JANET CAVENDER stop to chat on the stairs. Nancy is a senior from Charleston, majoring in biology. She is past president of Phi Lambda Tau sorority; a member of the Greek Government Association; Women's Athletic Association; Student National Education Association; Christian Fellowship; and Chi Beta Phi science fraternity. Janet is a junior from Elkview, majoring in political science. She is president of Phi Lambda Tau sorority; secretary of the Greek Government Association; a member of International Relations Club; and Christian Fellowship.

SARITA MATNEY and RAY WILLIAMS discuss scheduling. Sarita is a junior from Baileysville, majoring in music. She is past president of the Women's Residence Hall; a member of the choir; string ensemble; and Sigma Iota Chi sorority. Ray is a senior from Ronceverte, majoring in physical education. He has participated in Intramurals for four years; and appeared on the Dean's list.

CHUCK DUNLAP gives SYLVIA SIMMS a phone number to write down. Chuck is a junior from Nemaocolin, Pennsylvania, majoring in business management. He is president of the Newman Club; past vice president of the Sophomore Class; sergeant-at-arms of the Junior Class; a member of Phi Sigma Phi fraternity; Student Affairs Committee; Men's Residence Hall Council; and Greek Government Association. Sylvia is a senior from Charleston, majoring in business administration. She is president of the Sigma Iota Chi sorority; past secretary of the Student Council; a member of Christian Fellowship; Greek Government Association; and attendant to the Homecoming Queen in 1958.

The Lambda Delta Cast of Alpha Psi Omega, the national honorary society for college dramatics, was established on the Morris Harvey campus to recognize those students who have proven themselves outstanding in the field of dramatics. Membership is earned through participation in Blackfriars' programs and plays. Each spring at the Awards Assembly, Alpha Psi Omega presents a trophy to the best actress, the best actor, and the best technical worker of the year.

The West Virginia Gamma Chapter of Pi Kappa Delta was established at Morris Harvey on May 13, 1956.

The purpose of this organization is to stimulate programs in and to further the interests of intercollegiate speech activities and communication in an effort to provide functional leadership training for life and at the same time encourage a spirit of fellowship, brotherly cooperation and incentive for achievement.

Pi Kappa Delta is a national honorary forensics fraternity for those students who have met its qualifications by participation in forensic competition.

MEMBERS OF PI KAPPA DELTA THIS YEAR: Warren McGraw, and Archie Snedegar, Debate Coach.

Epsilon Chapter of the Chi Beta Phi honorary scientific fraternity has been on the local campus since 1923, when it became the sixth organized chapter. The organization is composed of students that have shown a great interest in science and have displayed this through qualifying for membership by completing their first twenty hours of science with a 3.00 or better average.

The greatest projects of the chapter are the two annual awards and the dinner given for the membership with a noted speaker from the science world.

The first of these awards is the Chi Beta Phi

Science Medal which is awarded annually by the chapter to that student who has attained the highest average on the first twenty-four hours of college science, providing the average is ninety percent or better.

The second award, the Chi Beta Phi Scholarship Key, is awarded by the national organization to the outstanding student member of each chapter of the fraternity.

With its motto of "Scientia Omnia Vincit," Chi Beta Phi continues to be the goal of the outstanding students of science at Morris Harvey College.

CHEERLEADERS

Participation in athletics, both intercollegiate and intramural, enables one to transform his abilities of physical co-ordination and self-control to the level of competition. In sports at Morris Harvey, many traditions and records have been handed down to be upheld and continued. Though we have not always won the event, we have scored high in sportsmanship. For in true sportsmanship are created the lessons of winning and of losing. Using the Golden Eagle teams as good examples, we have not only fostered good athletes, but good spectators as well.

Eagles Have a Fine Season

Under the watchful eye of Coach Garland "Sonny" Moran, the Morris Harvey Golden Eagles came out with a winning season.

With sixteen members on the team from all parts of West Virginia, and an average height of 6'2" Coach Moran seemed to have nothing to fear.

The Eagles started the season with no apparent problems in the area of the back court. Bobby Skiles and Denny Skiles did a wonderful job as Guards, as did Carl Bradford and Bob Danner at Forward; Gene Allton and "Woody" Derrick held the position of center.

The Golden Eagles pulled one of the most surprising upsets of the season when they defeated William and Mary College of Williamsburg, Virginia by a score of 75-68.

The most thrilling game of the year was played with West Virginia Tech when after a close game all the way, the Eagles came back in the closing minutes to defeat Tech by a score of 89-83.

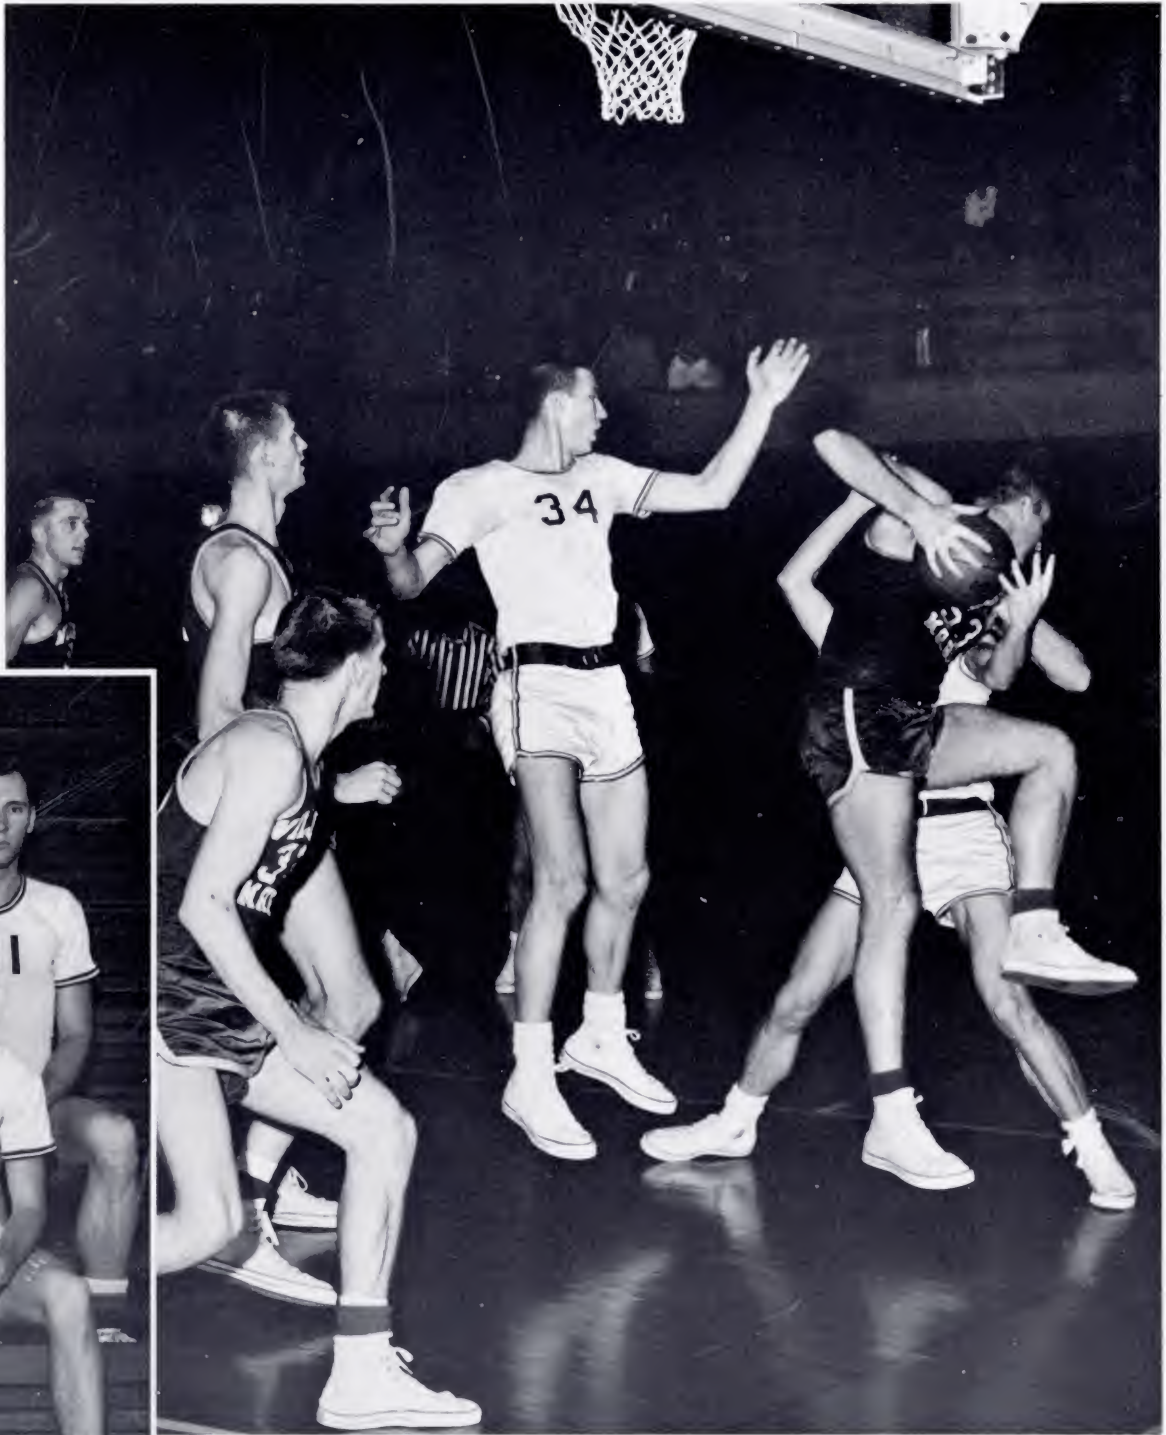

With only one senior on the team to graduate, we will have a fine team to look forward to for next year.

The WAA of Morris Harvey is an organization composed of women who are majoring in physical education. Through the WAA, these girls hope to become better acquainted with each other and to provide recreational opportunities not only for themselves but for the other women of the college.

Some of the activities of the club this year have been a buffet supper, a Christmas party, personal development nights, and the weekly intramural program.

DANCES

PRESENTATIONS

School work is forgotten during our many gaieties as we extend our friendships beyond the classroom. We look back on the past year, reflecting over the dances and parties, and reliving the excitement and suspense of celebrations, elections, and other activities. We recount the hours we spent on the stage, enjoying the thrill and elation of our moments in the limelight. And always we will salute the classmates whose efforts, talents, and accomplishments have brought honor to themselves and to our School.

Pre-School Conference

In September, just before registration, the College held its annual Pre-School Conference and the faculty joined the student leaders on the campus in a weekend at the FFA-FHA Camp at Ripley.

Fun and fellowship prevailed throughout, tempered by serious discussions.

Highlighting the weekend was the traditional baseball game between the faculty and the students, and the square dance called by Mrs. Thomas.

For all who attended, the event proved to be an enlightening conference.

Frosh Orientation

Beanies, special assemblies, Freshman Court and other activities marked the first six weeks of school as the Student Council staged the most successful Orientation program that Morris Harvey has seen.

The President's Reception

Once again this fall as in previous years, President Riggleman received the students, faculty and friends of Morris Harvey at his annual reception. The receiving line included Dr. Riggleman, Mr. A. W. Cox, Administrative and Faculty Officers and their wives.

It was well attended and proved to be a very enjoyable evening for those in attendance.

Christmas Party

Santa Claus visited the Morris Harvey campus again this year when the school held the annual Christmas Party in the Reception Hall.

The program included the singing of the traditional carols by the students, a Christmas message by Dr. Riggleman and musical selections by the choir, ending the party with the entrance of Santa Claus and his helpers with gifts of goodies for everyone.

We have tramped the ways together,
But we're clasping hands at the crossroads now
In the Fiend's own night for weather;*

*You to the left and I to the right,
For the ways of men must sever,
And it well may be for a day and a night
And it well may be forever.*
